

Associate Sponsorship Levels and Benefits 2015-2016 Season

Corporate Sponsorship allows your company to align with MSO through concert performances and as a supporting partner of our community outreach programs with tax-deductible donations

- **Presto Sponsor \$7,500**

This is our premiere Associate Sponsorship level and includes recognition at two concerts with 10 premium tickets to each, VIP parking for Cannon Center concerts

- **Allegro Sponsor \$5,000**

Your business will be featured as a sponsor at one of your choice of either Masterworks or Classic Accents series concerts.

Allegro Sponsors also have the benefit of special intimate entertainment offerings such as guest artist and musician hosted dinners for small groups

- **Adagio Sponsor \$2,500**

Special clients deserve special treatment no matter the size of the member company.

That's the basis for this Adagio Sponsorship which includes access to open rehearsals, allowing you on stage among the musicians during the working hours most people never see.

Presenting Sponsorships begin at \$10,000 and include additional benefits.
