

Corporate Membership Options and Benefits

2015-2016 Season

Corporate Membership allows your company to align with Memphis Symphony Orchestra through concert performances and be included as a supporting partner of community outreach programs.

Membership levels

- **Encore Membership: \$2,000**

More concerts equals more exposure and more opportunities to entertain clients or honor employees with a special night out and unique experiences including backstage access and small, intimate VIP events.

- **Reprise Membership: \$1,500**

Special clients deserve special treatment no matter the size of the member company. That's the basis for this Reprise Membership which includes access to open rehearsals, allowing you on stage among the musicians during the working hours most people never see.

- **Prelude Membership: \$1,000**

Introductory level membership that will showcase your business alongside larger companies. This affords for your employees and guests to benefit from 20% off additional ticket purchases
